GOOD TO KNOW

Gavelling uses **credits**: one credit covers one application, your first credit is free, and it is refunded if your application isn't accepted. You don't need to buy anything to register for OAKMUN.

PART 1

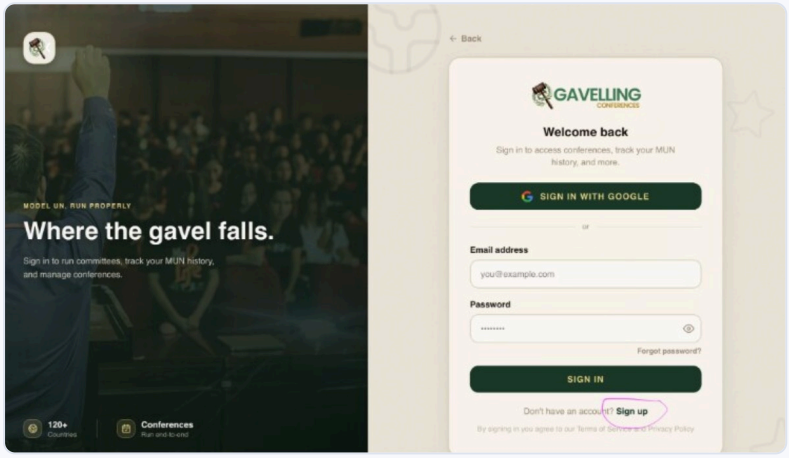

Create your Gavelling account

1 Start at Gavelling

Open **gavelling.com/conferences/oakmun2026**. This is Gavelling, where all OAKMUN registrations are handled.

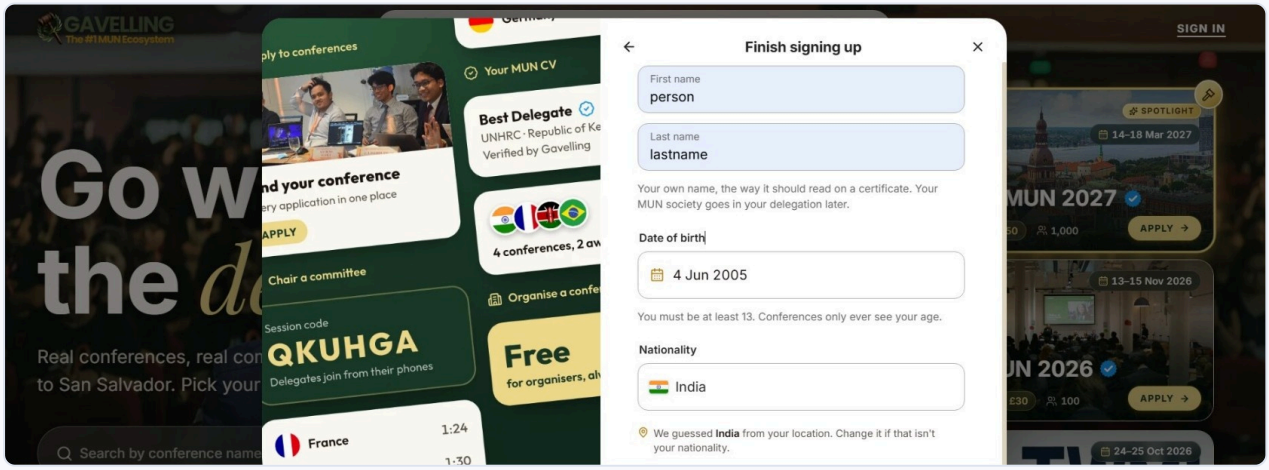

2 Choose "Sign up"

Under the green **Sign in** button, click **Don't have an account? Sign up**. You can also use **Sign in with Google**. Already have a Gavelling account? Sign in and skip to Step 5.

3 Enter your details

Fill in your first name (plus middle name, if you have one), last name, date of birth, nationality, personal Gmail and a password. Gavelling pre-fills your nationality from your location, so check that it's right.

IMPORTANT Your name appears on your certificate exactly as typed here. Use correct spelling and capitalisation, and no nicknames.

4 Verify your email

> **TIP** No email after two minutes? Check your Spam and Promotions folders before requesting a new code.

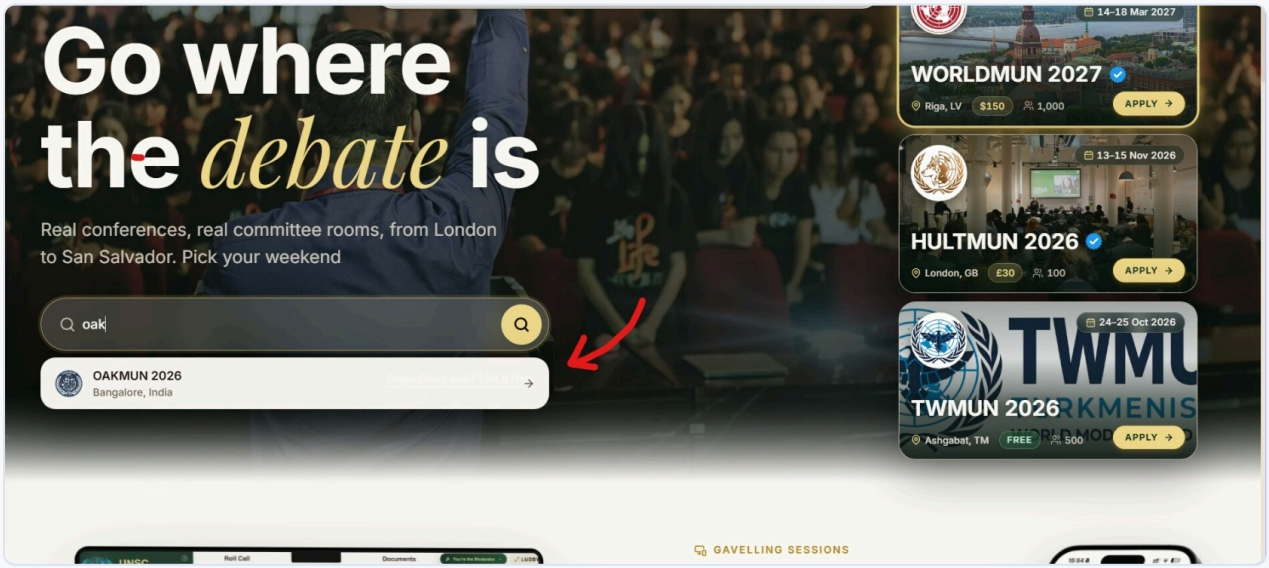

5 Close the "Introducing Credits" pop-up

After signing in, a pop-up explains Gavelling credits. Click **Maybe later** or the × in the corner. There's nothing to buy: your first credit is free.

6 Find OAKMUN 2026

On the Gavelling homepage, type **OAKMUN** into the search bar and select **OAKMUN 2026 · Bangalore, India** from the dropdown. This opens the conference page.

PART 2

Apply as a delegate

With your account ready, the application itself takes about ten minutes. When you reach committee selection in Step 9, a full committee guide follows to help you choose.

7 Choose "Delegate"

On the OAKMUN 2026 page, under **Choose How to Apply**, select **Delegate**.

8 Apply independently

Enter your date of birth. On the **How Are You Applying?** screen, pick **Independent**.

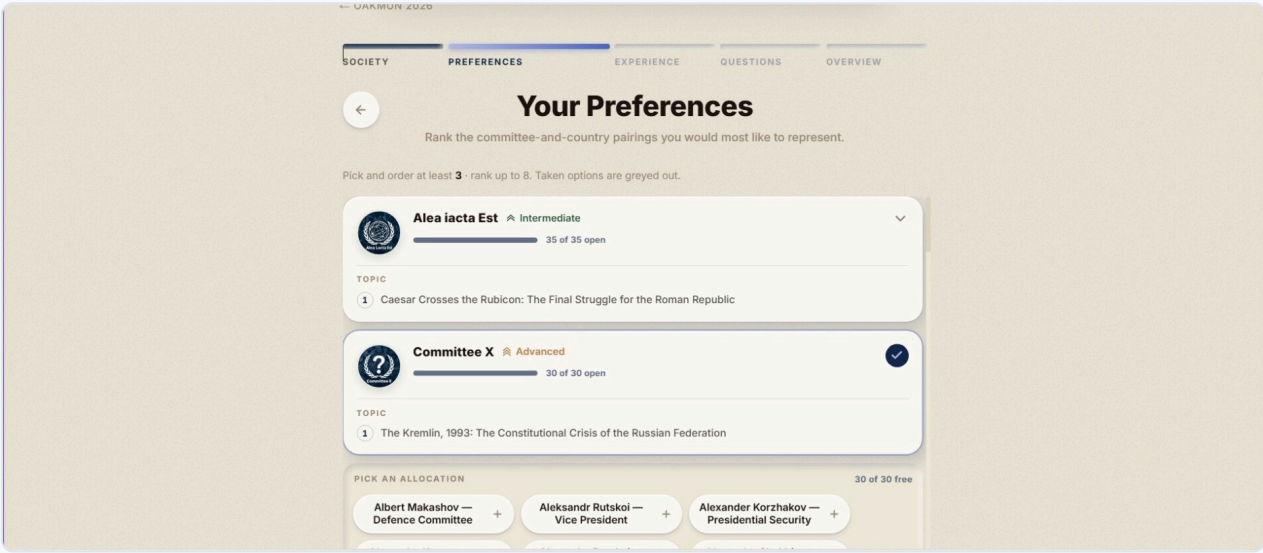

IMPORTANT Don't choose "With a delegation". Oakridge students register independently.

PART 2

The most important step

9 Rank your committee preferences

Each committee card shows its topic, how many seats are open, and its difficulty level. Open a card, tap **+** on the portfolios (countries or roles) you want, then repeat for other committees. Rank **at least 3, up to 8**, in order of preference. Portfolios already taken are greyed out. When you're done, click **Continue**.

Committee-first. One committee you really want, with three portfolios in it.

Spread out. One portfolio in each of three different committees.

REMEMBER These are preferences, not guarantees. The Secretariat allocates to balance every committee, so rank more than one option you'd be happy with. Not sure what to pick? The next three pages explain every committee.

SECRETARIAT'S QUICK PICKS

First MUN	UNGA, UNHRC or SPECPOL
2 – 3 MUNs	DISEC, INTERPOL, Lok Sabha, or IPC if you're a strong writer
Economics students	FATF
History lovers	Alea Iacta Est, or H-UNSC with 4+ MUNs
4+ MUNs, incl. crisis	Committee X or H-UNSC

FOR STEP 9

Choosing the right committee

Every committee card on Gavelling shows its difficulty level in the **top-right corner**. Here's what each level means, and who the Secretariat recommends it for.

BEGINNER

GRADES
6 – 9

EXPERIENCE
0 – 2 MUNs

Large General Assembly committees with standard procedure and well-documented topics. Plenty of room to speak, learn the rules of procedure, and co-author your first resolution. The ideal first conference.

Committees: SPECPOL · UNGA · UNHRC

INTERMEDIATE

GRADES
8 – 12

EXPERIENCE
2+ MUNs

Smaller rooms, technical or niche topics, and in some cases custom procedure (parliaments, the press corps, a joint crisis). You should already be comfortable giving speeches, running caucuses and drafting clauses.

Committees: DISEC · FATF · INTERPOL · IPC · Lok Sabha · US Senate · Alea Iacta Est

ADVANCED

GRADES
9 – 12

EXPERIENCE
4+ MUNs, incl. crisis

Fast-moving historical and crisis committees. Expect individual portfolios, directives, crisis updates and very little time to settle in. Prior crisis experience is strongly recommended.

Committees: H-UNSC · Committee X

GOOD TO KNOW These grade ranges are only guidelines. A delegate in a lower grade with more experience can apply to a higher level (for example, a Grade 7 delegate who has attended several MUNs). If you have attended more than 2–3 MUNs, you are encouraged to try Intermediate; with more than 7, try Advanced.

FROM THE SECRETARY-GENERAL

Pick the committee where you'll speak the most, not the one with the most impressive name. A confident first conference in UNGA is worth far more than three quiet days in a crisis room. If you're unsure, rank at least one committee at your level and one a step above it. We allocate with your experience in mind.

Aditya Agarwal · Secretary-General, OAKMUN 2026

Grade and experience ranges are Secretariat recommendations, not eligibility rules. Delegates outside a range may still apply.
